PaD online Talks

Join us this Spring for some inspirational talks about things we are passionate about – the countryside and breaking down barriers. All welcome.

January 21st 7.30pm Black 2 Nature – Equal Access to Nature for ALL

Black2Nature was set up in 2015 by its now 17-year-old president, Mya-Rose Craig AKA Birdgirl. As a young British Bangladeshi birder, she was acutely aware that there was nobody like her out in the countryside, so organised a nature camp for teenagers, when she was 13 years old. In this talk her Mum Helena Craig tells the story of Black 2 Nature and Black women walking.
