## Woven Lollipop sticks

1. Take two lollipop sticks and glue them together.

2. Tie wool around the middle.

3. Start winding wool around the middle in a methodical circular motion – over one stick and around the next. Keep turning as you go.

4. Your pattern should build up like this. Try using different colours of wool and adding something in the middle. Add a loop to hang up your creation.

Take a photo and post it on the People and the DALES Facebook page
